Wednesday, 24 February 2021

- 9:00 am **Welcome Back, Brief Recap of Day 1 Discussions, and Plan for Day 2**
- 9:15 am **Group Discussion: What criteria would help us select communities or regions to work with?**
- Word Cloud exercise: Sift.ly; code: AKENERGY
- 9:30 am **Instructions for Small Group Discussion #3**
- 9:35 am **Small Group Discussion #3: Guiding Community Engagement; Research and Education Partnerships**
- Are there specific examples of communities or regions that would meet the criteria discussed earlier?
 - How should we engage with communities or regions for this planning project over the next few months?
 - What should we consider as far as respectful collaboration, as we are planning for engagement with communities?
 - What kinds of partnership and collaborations should the project pursue to address the research, education (including community/citizen science), and community engagement needs?
- 10:25 am **Break**
- 10:35 am **Report Outs & Plenary Discussion**
- 11:00 am **Next Steps for the Arctic Microgrids Project**
- How workshop input will be used
 - Next steps for the Arctic Microgrids Planning Project including:
 - Community visits
 - Convergence research project co-developed with community partners
 - Final follow-up meeting of the advisory committee
 - Evaluation/survey
- 11:10 am **Meeting Adjourns - Thank You!**
